

Box frames

Short description:

Box framed art prints – delivered fully assembled

Long description:

Crafted from solid, hand-stained wood and finished with a premium fine art print, our box framed prints measure 20mm on the front face, with a 33mm depth from the wall for a clean, contemporary shadow-line look. A specialist wax finish brings out the natural grain and warmth of the wood.

Choose from a range of paper types to suit your style and subject. Available to order in three frame colours and three glaze options, including Perspex, float glass and moth-eye glaze. Our premium moth-eye glaze features a revolutionary coating made from a special type of anti-reflective thin film, creating a stunning, no-glass effect.

Please note: the size listed for each picture frame refers to the size of the glaze and does not include the width of the picture frame. For example, A4 prints without a mount will fit an A4 glaze exactly, but prints with a mount will be smaller than A4 to fit the mount window opening.
