

Medal frames

Short description: Medal display frame with double mounting and classic framing

Long description: Enhance your product range with our custom medal picture frame, featuring double mounting and our bestselling classic frame style. The pre-cut aperture displays medals neatly and securely, while your bespoke image or text is printed on lustre photo paper for rich colour and a subtle sheen.

Each medal frame includes a snow-white top mount paired with your choice of a black or navy bottom mount. This double mounting adds depth and creates an elegant layered effect that beautifully highlights medals and ribbons.

The 30x40cm (12x16") format is ideal for various types of medal framing, including sporting and military medals – with ample space for your custom designs surrounding the medal aperture.
