

Metallic foil prints

Short description: Gold or silver foil prints – delivered rolled or flat, ready to frame

Long description: Create standout foil art with our metallic foil prints in gold or silver – part of our specialist prints range.

Perfect for graphic illustrations, abstract work and text-based designs, this specialist material has a smooth, lustrous surface. You control exactly where the foil appears in your artwork, so highlights, lettering and key details shine with a premium finish. Want even more impact? Try our framed foil art, available in our bestselling classic and box frames.

Our advanced printing technology makes short runs easy, with no setup costs – so you can order one-off custom foil prints or scale up to larger quantities quickly. We also print up to a huge 40x80", giving you the freedom to create statement pieces without limits.

Read our setup guide on foil printing to prep your files, and note that areas defined as pure white or transparent will reveal the gold or silver foil.

Choose sizes from 4x6" to 40x80". UK orders sized 200mm and under, and US and EU orders sized A4 and under, ship flat. All other sizes ship rolled.
